**RE: Donation Request**

Dear Community Supporter:

This year the host club, Elma Conservation Club, Inc., in conjunction with other local & state sportsmen's organizations, is hosting the 28<sup>th</sup> Annual, **Region 9 Youth Archery & Sportsmen's Camp** on August 5, 2022 through August 7, 2022. The 3-day weekend will be a combination of intensive instruction in ethics, safety, archery techniques, hunter education, conservation and good sportsmanship. This training will help to prepare up to 30 young participants for their New York State Hunter Safety and Bowhunting Education Certifications.

The three-day event is provided free of charge to youth ages 12-15. Costs and gear associated with this non-profit volunteer camp are provided by funds, materials and equipment donated by sponsors, local companies, and other state and national organizations. We would sincerely appreciate your assistance to help defray the costs of our program. **Checks can be made payable to "Region 9 Youth Archery & Sportsmen's Camp" and mailed to PO Box 351, Elma, NY 14059**

If you wish to donate archery or outdoor related merchandise or clothing, please contact our merchandise chairman for delivery or pick-up arrangements. His contact information is:
